

Join us as we take a quick look at the Palm Treo Pro, now available on Sprint Wireless. The Palm Treo Pro has been available since March 15th at Sprint retail stores and online at Sprint.com. Unlike the Palm Treo Pro unlocked (see [our review](#) ), the Sprint version is a more affordable \$199.99 (after rebates with a 2-year agreement) due to the subsidy.

*Note: The Treo Pro also includes a microSD slot for memory expansion that we missed during the video unboxing.*
