

Palm is looking for "real reviewers" for their product line. That includes the Palm Treo, Palm Centro, the soon to be released [Palm Pre](#) and future products. You do not need to be a techie to take part. Are you active on Facebook or Twitter? Have an opinion? You could be the perfect candidate. There is limited space in the program, so we encourage our readers to take part in [this survey](#) . ***Palm has reserved a few spots exclusively for readers of Everything Treo.***

If you are selected, you'll be asked to share your experiences on Palm's Facebook page or blog, letting them know unique and interesting ways you use the phone.
